Graduate Assistantship Opening
College of Education,
Iowa Center for Assistive Technology Education and Research (ICATER)

The College of Education, Iowa Center for Assistive Technology Education and Research (ICATER), will have one quarter-time (10 hours/week) Graduate Assistantship opening for the 2014-2015 fiscal year beginning Jan 12, 2015.

Duties generally involve assisting in the daily operation and promotion of ICATER as well as educating others on the use of assistive technology.

**Daily operational duties include:** researching, demonstrating, and presenting information on assistive technology usage. Also, providing aid to students using assistive technology in the ICATER lab, helping provide assistive technology consultations, contributing to research, helping to write and present research papers. Assist in keeping the ICATER website up to date with current information, via the College of Education Web team. Some evening and weekend hours are possible as is some travel.

**Teaching duties include:** No specific class, but will teach units for classes within College of Education, campus and other times as requested.

**Required Qualifications:** Graduate students must be in good standing and enrolled for at least 6 semester hours of credit during their time of employment. All Federal immigration employment requirements must be met. Experience using or knowledge of proper use of basic computer related assistive technology hardware and software.

Prior to a student who is not a native English speaker being offered a Teaching Assistantship, the student must provide evidence that they have passed the Speaking Proficiently in English Assessment Kit (SPEAK) Test as well as successfully completed any Teaching Assistant Preparation in English (TAPE) and English Language Performance Test courses required for Full Certification excluding 103:009 the 6 hour orientation program.

**Desired Qualifications:** Experience in assistive technology consultations

**To apply:** Forward a cover letter and resume highlighting Assistive technology and teaching experiences to: Patti Bahr, MSE, ATP, RET via email (patricia-bahr@uiowa.edu). Resumes accepted until Dec. 24.
