Announcements

Directors of Graduate Studies,

The Graduate College Dean’s Office and the Academic Affairs Office has moved temporarily to the 2nd floor of Calvin Hall due to renovations in Gilmore Hall. The Professional Development and ITS Offices for the Graduate College will remain in Gilmore Hall on the 4th floor. We hope to move back to Gilmore Hall after the conclusion of the Spring semester.

As we enter recruiting season, a reminder that the University of Iowa has agreed to support the Council of Graduate Schools (CGS) April 15th resolution in which students are not required to respond to offers of financial support prior to April 15th. Please see link below for more details.

Wendy Danger will be sending out calendar invites for the Spring DGS meetings. We plan to build on the highly interactive and productive small group discussions on various topics related to Graduate education in the Spring semester by providing additional content on many of the topics discussed. The first DGS meeting in February will include a panel discussion regarding the implementation and use of Individual Development Plans.

Best regards,
Steve

Steve Varga
Associate Dean for Academic Affairs and Graduate Student Development
